

# Sale Terms

## Summary:

Zenome sells tokens in five stages. This is similar to the stage of venture financing. Currently, we've raised:

Public presale round – 100,000 USD

First private sale round – 200,000 USD

First public sale round – 362,000 USD

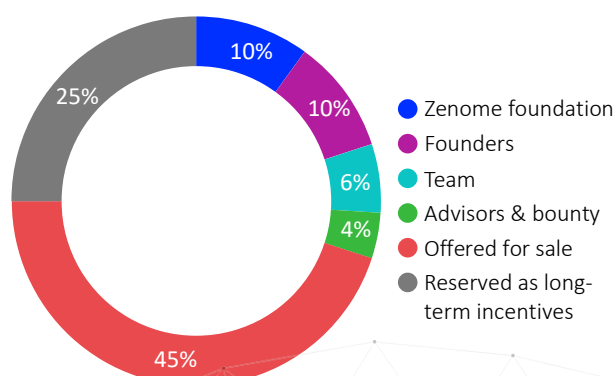

In early September 2018, we plan to start a second public round of the token sales. The private round is from July 10 to September 1, 2018.

## Token distribution and allocation:

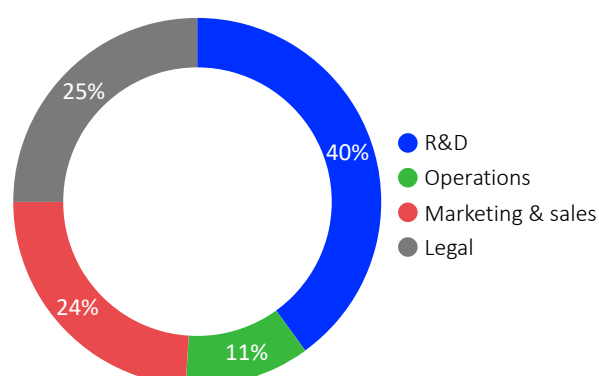

Tokens (ZNA) can be bought for ETH and BTC. You should pass [KYC](#) and investor accreditation procedure before obtaining ZNA. Total amount of ZNA tokens will not exceed 35 000 000. The official ZNA token contract is

[0x59c3BA7a0A4C26955037710654F60D368303B3E1](https://etherscan.io/address/0x59c3BA7a0A4C26955037710654F60D368303B3E1)
